

**St. Mary's Wollaton Park**  
**Online kids' church, Sunday 26<sup>th</sup> April 2020**

Today we talked about being in God's big family – we are all different, but God loves everyone, and he wants us to love everyone in our church family.

We listened to the song Big Family of God.

Another great song that can't be saved on a playlist is We are the Church by Awesome Cutlery <https://www.youtube.com/watch?v=HPEonEoZL5A>

**A Bible story**

Gemma read us the story of Peter and Cornelius from The Beginner's Gospel Story Bible. Peter and Cornelius were very different, but God wanted both of them in his big family. You can find this story in the Bible in Acts chapter 10.

James 2:1-13 tells us that it's not ok to treat some people in church as more important than others – God wants us to love everyone.

**A challenge**

I challenged you to think of someone in your church family who is not your best friend and you haven't been in touch with for a long time, and to do something kind to show you love them.

We thought about what we could do to show someone that we love them:

- We could send them a picture or a card in the post.
- We could call them on the phone.
- We could send them a message on the phone or computer.

Get in touch with Kate if you need help with contact details.

**A prayer**

We asked God to show us the person he wants us to get in touch with.
