Something to do at home

You could act out the story of the bad judge and the poor woman which Jesus told us in Luke 18:1-8.

You could dress up as the bad judge and the poor woman, or print out and colour the pictures on the next page and stick them onto upturned cups.

Talk to God

The most important thing we learned from the story was to keep asking God for things and not give up!

Whenever you feel worried about something, you can ask God for the help you need. Keep asking, and you can be sure He will look after you.
